#### TOP 4 – reports

#### 4.1. Report oft he Chair

Tabea: So far, the semester was characterized by exchange with the rectorate regarding the corona guidelines. Exchange regarding Ukraine war. Early sponsoring pitch, since the project takes place relatively soon. Big sponsoring pitch on 30.03.2022. Big topic is the search for a successor. Handover weekend will take place in June. Statutes are to be changed, but it is difficult because Florian is not available at the moment due to illness.

#### 4.2. Berichte der Vorsitzenden der Studienvertretungen

Niklas Schmidt:

- Nothing to report

Felix Weiß:

- Yannik approached him regarding the registrations for the sports program. The idea was to move this to the FH app. But it will not work out this semester.

- Criticism of the IRO. Rarely reachable and forwarded for info. Poor communication causes displeasure

- Admission controls at the FH. Will this be handled when tests become chargeable - checks only until April 9 at UAS.

- Prof has refused to send out grading for 5 months. Grading is still not clear.

Tim Wabersich:

- Could not get accounting credit

- Could there be a course where you learn how to hang up or present with the mic in hand

#### Löffler Lorenz:

- Nothing to report

Elisabeth Zeeb:

- Good in exchange in relation to current topics otherwise nothing to report

Gilbert Hesina:

- Nothing to report

Sebastian Seufert:

- Nothing to report

Laura Malarz:

- Nothing to report

#### 4.3. Reports of the Department heads

#### Event Department:

- You can finally do something again. First Spritzer booth was already quite well attended. Next big event Spritzer booth for ticket sales of Campus statt Champus on 29.03. the ticket sales will start (are limited to 200 tickets). Event at the fortress Kufstein with live music and DJ. After the Easter vacations smaller events may take place at the FH Büruo. On 13.04. Weintastign

#### Marketing Department:

- Any tasks will be completed and posted. One of the team quit as it was too stressful for her. New clerk is being sought.

#### International Department:

- Hearings with Tabea have taken place. David Nagele is new as of this semester. There is a new Moodle page. On 24.02. there were orientation-days. There was an international dinner on March 6. Sunday is the ski and snowboard day. International desk is often confused, in the sense that they are only responsible for international students, which is not the case. Texts should generally be sent out in English as well to increase the feel-good factor for the Exchangies. There is a feeling that they are not very comfortable at the moment.

#### Cultural Department:

 Update: 1st night watchman tour has taken place. Plans are to do one again. Jam session is better attended than last semester. Speed friending is being considered for the end of March. A former SKVM student has contacted them; plans are to do a movie night at the end of May of a filmed play that he is providing

#### Sports Department:

- Finally back to sports program face-to-face. Sunday ski day next week ski tour and splitboard beginner day. You don't get timely notice from FH when the hall is occupied, which often leads to problems. Otherwise everything is going well.

#### **Education Policy Department:**

- Nothing to report

#### Social Department:

- Main topic is the social fund. Still waiting for the feedback of the last grant from FH. We are working on a digital suggestion box (together with the marketing department). It is not only meant as a suggestion box; ideas or wishes can also be entered (anonymously as well as with names).

#### Sustainability Department:

- This week is sustainability week. As soon as the FH office is open, the swap corner will take place there. There is also a flea market planned, which could not take place last semester.

#### Economic Department:

- Final meeting with auditor next Thursday. At the last Jour-Fix they talked about thriftiness, so attention should be paid to that.

## 4.4. Reports oft he faculty council:

Deana Panic, Gilbert Hesina, Vanessa Huber and Roman Witlaczil:

- Not much to report as there have been no meetings yet. First meeting next Thursday. 2 motions are to be made. How will revenue from practice projects be handled? Evaluation for study program management

# 4.5. Reports of the class representatives

Enter person with first and last name:

- Steiner Dominik: everything fits ; Question about budget: what about the money that was not used last year? - In the past only refunds were approved, but it is now the case that this may only be used once per fiscal year.

- Kopp Katharina: wish - it should be better communicated how to use the FH amount (maybe info at the beginning of the semester by mail)

- Wabersich Tim: many people are already gone in July, so there should be no more important dates in July. This should be communicated to the FH. (It is for example about the Expo or HV meetings)

- Hofer Lisa: joins Elena in the topic with the international students or students. Better attention should be paid to the choice of words here.

- Schwarz Simon: in November 2021 there was a year representative lunch (this was done online). At the end of the semester, it was asked when the oral evaluation will take place. It was pointed out that this has already taken place during the lunch. Also on inquiry and expression of desire concerning a new possibility of the Evaluirung they did not receive any more feedback.

(Secret person election)

#### Vote on Motion 5.1

6/0/0/2 - unanimously accepted/accepted/rejected/denied

## TOP 6 – Any other business

-Lüdernig Leonie: why are the old names still on the refund applications?

Albin: will be changed

- Peters Tabea: it would be good for texts that are sent out to all students to be sent to the group beforehand, so that improvements can be suggested, etc.

- Lüdernig Leonie: was sent to the administrator group and confirmed there. There were a lot of errors in it. Therefore, the messages that are distributed through the administrators should be forwarded to the group with everyone beforehand.

- Wabersich Tim: posting the messages to the general group would make the process extremely longer and you also don't know when you can then expect feedback, which would complicate it unnecessarily. Peters Tabea: Alternativvorschlag: Erstellung im Planer von verschiedenen Tabs wo das reingepostet wird. Hier bräuchte es viel Selbstverantwortung.

- Niklas Schmidt: the solution with the Planner is too difficult to implement.

- Other proposals were made and discussed, but no agreement could be found.

- Gilbert Hesina: means that the text, which it concerns, was sent out not in the name of the FH but in its name and therefore the topic is not so extremely important and bad.

- Proposed solution: there should be a responsible person who proofreads the texts. -but found no response-

- In the future, texts will be checked for correct gendering and spelling by the year representatives.
